REASONS FOR ALLOWANCE

Claims 5, 7, 9, 12, and 17-52 are allowed.

The following is an examiner's statement of reasons for allowance:

The amendment filed 1/18/2005 clarifies the claim language and obviates the prior rejection under 35 USC § 112.

Per independent claims 17, 18, 19, 35, and 36, consistent with all other reasons for allowance in the parent applications, the prior art does not teach or reasonably suggest in combination the present invention including the process and implementation of the forward targeting process in the method as claimed.

Claims 5, 7, 9, 12, 20-34, 37, and 38-52 serve to further define the invention of claims 19 and 35 over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric M Gibson whose telephone number is (703) 306-4545. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Black can be reached on (703) 305-8233. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
